SILENT AUCTION

During the last week in November we held a silent art auction to raise money for Tearfund's Arts for Mercy campaign. Twenty items, from oils, prints, acrylics, ceramics and wood turning were generously donated by parents, staff and friends displaying how fabulously talented Vinehall is. Many bids were made and in the end we raised a staggering £1,126.00!

This event proved to be so successful that we will repeat it this November with an actual auction this time. Many thanks to everyone who laid their souls open and contributed their work to this cause.
