

## Netball

### U12 B Netball

The U12 B team had five matches this season, winning two and losing three. When an A and a B team is fielded most of the girls in the year group play, and this season every girl in the U12 age group played at one time or another. Finding consistent shooters is often a problem, but Daniele Ferid, Emma Kirk and Harriet Colderick took on this role with good effect. Katherine Rogers played well in defence with Claire Petzal and the team played with spirit and enjoyment. Hopefully they will play even more games next year as the U13s.

2002-2003

### UNDER 11 NETBALL REPORT AUTUMN 2002 - 2003

This has been a successful season for the U11 A Netball team. Of the 15 matches played, 10 were won, 2 drawn and 3 lost. The B team won their 2 games.

The squad of ten players has shown great enthusiasm and team spirit throughout the past two terms. Imogen Dodds, Fenella Maudslay, Poppy Smallwood and Sophie Wakeham have demonstrated some determined defending and close marking while, in mid-court, Georgia Beattie, Iona Edgar and Catriona Flint have combined well to link the ball from defence to attack. These moves have been finished by excellent shooting from Hannah Boshier, Frances Mavor and Sophie Pugh. In early March, the team enjoyed a sunny day at the IAPS tournament at Roedean where they acquitted themselves well and were placed 6<sup>th</sup> in their section of ten teams. It was a pleasant change for the team to encounter different opposition and the girls were a credit to Vinehall.
