

Year 2

Vinehall School
2002-2003

The Sea, The Sea.

The sea it sparkles,
The sea, the sea.
The wind it blows,
The sea, the sea.
The ice-cream van
comes,
The sea, the sea.
The children laughing,
The sea, the sea.
The crabs and shells,
The sea, the sea.
The sand's hot,
The sea, the sea.
The seals call,
The sea, the sea.
The talking and shouting,
The sea, the sea.

The Girl Who Boasted

One crisp winter's day it started to snow. A little girl called Emma, was sledging with her sister Rosie. 'My sledge is nicer than yours and it goes faster', said Emma. This made Rosie cry. The next day the snow had gone and it was warmer, Rosie said to Emma, 'Would you like to do gymnastics with me in the garden?' Emma said, 'Yes.' So they went into the garden together. They got out a big mat and started to do handstands. Then Emma said to Rosie, 'My handstands are better than yours and they are straighter.'

This made Rosie scream. The next morning Rosie was still cross with Emma and she was huffing and puffing. 'I'm behaving better than you,' boasted Emma which sent Rosie into an even worse mood.

The next morning Rosie was still fuming and she decided to give Emma some of her own medicine and start to boast. When Emma came downstairs Rosie looked at her and said, 'I'm older and taller than you.' Emma started crying but Rosie did not feel sorry for her, not one little bit. 'See', said Rosie, 'That's how it feels when people boast.'

From that day on Emma didn't boast ever again.

My Cat

I'd like a racing cat,
A raking cat,
A mad cat, a bad cat.
A lined cat, a kind cat,
A mild cat, a wild cat,
I'd love a rescue cat!

David Winter

I'd like a fluffy cat, a funny cat,
A flower-planting cat,
A foolish cat.
I'd like a honey cat, a funny cat,
A kind cat, a blind cat,
A food cat, a rude cat,
A frightening cat, a lightning cat,
A black cat, a track cat,
A cat that's a fluffy sit-on-your-lap-cat.
A fluffy, furry cat.

Freya Maynard

I'd like a good cat, a great cat,
A gone-away cat,
A sweet meat-eater cat.
I'd like a twirly whirly cat,
A humming cat, a drumming cat,
A black cat, a track cat,
A kind cat, a blind cat,
A kissing cat, a hissing cat,
The greatest cat in the world!

What I enjoyed in Year 2

Vinehall School
2002-2003

I liked doing the swimming gala because we got balloons and I like swimming. I also liked the run because I like jogging and I got all the stickers. Everyone enjoyed the run. The Professor Bonkers show was really good except they let one person join in from the Pre Prep in the games. The concert was good. At the end I stepped forward and put my hands out. In the school play I was an angel and I really liked it.

Some people in Year 2 play a musical instrument and I play the piano. My teacher is Mrs Moore. I am looking forward to the gym display because Bim, Jess, Helen, Florrie, Dominica, Cecilia and I are doing a routine together. I am also looking forward to Sports Day.

In Year 3 I am looking forward to the ballet show because it is in the theatre. I am looking forward to wearing a kilt for all three terms. I am looking forward to being in Mrs Radford's class. I am looking forward to crossing the road on my own. I am also looking forward to meeting new people.

Freya Maynard, Year 2

In the Christmas play I was one of the three kings. I loved it when I was carrying my little treasure chest around. When the Fun Bus came I was very excited because I thought we could play in it but when I was told we couldn't play in it I was very disappointed. In the swimming gala I came first in the backstroke race which I am very pleased about.

In Year 3 I am looking forward to being in Doctor Jarrett's class. I will board if I can. I am really looking forward to cricket, carpentry, rounders and football.

Freddie Williams, Year 2

I liked the Swimming Gala. I extremely enjoyed the fun run and I really liked the recorder man. I loved being one of the three wise kings at the Christmas play. I liked going on the Fun Bus and it was good fun doing athletics. I really liked watching Professor Bonkers. I really liked doing ball skills. I enjoyed it when Mrs Tearle helped in art and Mrs Burgess taught athletics. I am looking forward to going on the outing to Wilderness Wood and having the fete and extremely looking forward to Sports Day! I am also looking forward to the gym display.

I am looking forward to Year 3 because I will have a new teacher and a new class room.

Peter Stollery, Year 2

I liked the Christmas play because I was Mary but then they put me as the shiniest star, the part I wanted to be. I also liked Professor Bonkers. It was very interesting and funny. I enjoyed the fun run although I got puffed out. I liked looking around the Fun Bus even though we were not allowed to play in it. I loved learning the violin because I like the sound of it. hopefully, when I am older, I will be able to play along with the radio.

Molly Nicolson, Year 2

It was really fun when we did the SATS tests. I got quite far. At the beginning it was hard but when it came to the end it was easy. I also liked it when we went on the Fun Bus but I didn't play in it. I really liked it when we did athletics. I won the high jump with Freddie Stork, David and Celia. I also liked the sponsored run. I got six stickers.

I remember when I was in Mrs Wells class. I loved it when we went to the Sealife Centre. It was really cool seeing the stingrays and baby sharks.

In Year 3 I am looking forward to when we wear different clothes in the main school and getting to know my new teacher. I really, really cannot wait until we do the ballet play in the theatre in the main school.

I remember in Mrs Burgess's class when she said 'Put your shoes on the table and tracksuits on'. I remember when we went on a walk to Bedgebury Pinetum and learned about mini-beasts and how many legs a centipede has. I really remember when we went on the computers and how Mrs Burgess helped me a lot and how she taught us the alphabet.

Edward J Mannion, Year 2
