

New School Crest

Vinehall School
2002-2003

Original glass etching

The Vinehall crest is based on the Adamson family crest as it appears etched on a window above the main staircase.

The wings, crown and shield have always symbolised the school and David Chaplin added the motto 'to do our best for the benefit of others'.

The crest has undergone several permutations over time and has been updated this year whilst remaining true to the original.

Crest used up to 2002
