Year 5 Science trip to Hadlow

Science, skeleton

The Science department organised another Year 6 trip to Osmington Bay which involved field study work interspersed with adventure activities. We also held another science week, the details of which were:

SCIENCE WEEK Monday 10th March

- Monday** Natural History Museum visit and Junior Egg Race
- Tuesday** Colour topic, theatre, with 3 masters from Tonbridge School
- Wednesday** Judging of the paper aeroplane flying machines, winners were Tom Casselden and Ben Maltman.
- Thursday** Author's visit, swimming gala and brass evening, no science!
- Friday** Professor Bonkers presented 'The Electricity Show'.

Science staff from
Tonbridge demonstrate
colour.
