Spirals - investigating is fun!

The 3 little pigs

Nursery & Kindergarten 2003/4

Kindergarten and Nursery had great fun finding out about seasons on their many walks around the school grounds; trampling in the leaves in the autumn, playing in the snow in the winter, looking for flowers in the spring and hunting for mini beasts in the summer.

The children performed two concerts for their parents, a lovely nativity at Christmas and a lively version of The Three Little Pigs story in the summer.

The busy year ended with a fantastic sports day (including a very entertaining parent's race!) and a typical summer picnic - held indoors!
