The Local News

In this week's **Prophet** our inspector for **The News** saw a Vinehall Sports Day and reported it to the **Daily Prophet**, our Local News.

A pleased Mr Butler said, "We thank you for coming and we beg you to have a look around."

The inspector saw a long throw; a boy called Archie Ridpath had broken the record for the school.

The other field events were 50m, 100m, 200m and 400m.

He also went to see the free events and saw a boy called Anthony score 12 points for Ashton in the foam javelin.

The final House place order was:

- in 4th place Ashton
- in 3rd place Paxton
- in 2nd place Rushton
- in 1st place Saxton.

The Prophet has awarded Vinehall School the

'Best Sports Day ever'!
