

A French

The French Department has had another very eventful and busy year. *La semaine française* in February was a great success with highlights such as singing French songs in the theatre, (Jemma Cleary's solo performance was particularly moving) and a cultural treasure hunt around the school. Vinehall School took on a French flavour with its tricolour flags, banners, signs, and of course its French menu for the week, kindly prepared by our catering department. Merci!

On May 1st, we took Year 7 pupils to the North of France on a short trip. We started off with the biggest sea life centre in Europe (Nausicaa in Boulogne-sur-Mer) and finished with the chocolate factory of Beussant and a guided visit of Montreuil-sur-Mer, where the story of *Les Misérables* is set.
