

Dance

Funky Dance is now very established at Vinehall especially in the Pre-Prep! We have many boys participating and the girls look fabulous in their all in one shiny leotards. This year our classes have danced many routines from detectives with magnifying glasses to cowgirls with stetson hats and much more. Arts Week was a delight when the Nursery and Kindergarten classes performed a little dance. The children were fantastic; they learnt a lively dance in half an hour and then performed it for the parents using their own hand made instruments as part of the dance. We all had such a great time.
