

Drama

The pantomime season was well and truly evident at Vinehall at the end of the Michaelmas term when sixty children from Years 7 and 8 were involved in a full-scale production of *Peter Pan*, the classic J M Barrie tale. The production proved to be a spectacular success. Mrs Gearey cast this pantomime beautifully, as usual, and the theatre was packed for an exciting and professional comic production. Laughing Water (Hector Fraser) and Captain Hook (James Mannion) stole the show and the crocodile (George Barker) and Peter Pan's shadow (Chris Bosher) were cleverly executed parts. Jarvis Duthie-Jackson was excellent as Peter Pan and Sigrid Koerner as Tinkerbell.

Costumes and make up were a highlight and our thanks go to those parents and staff who regularly give up so much of their time to support the Drama department.
