The U13 VII played well this season with 3 goals for and 4 against them. Victoria Reid elected to play in goal and did very well with the support of backs, Harriet Green, Eliza Elliott and Olivia Thompson. Valeria Orozco playing tenaciously as centre half, tackled effectively and distributed the ball well to the determined forward line of Lily Canetty-Clarke, Isobel Wingrad and Dodie James to put pressure on the opposition and to create opportunities for shots at goal. Patricia Harriman, Eleanor Bing and Chananda Thavisin all gained valuable experience of match play as playing reserves in the U13 squad.
