

School Council

Council Rep

School Council has had regular meetings and has continued its work to bring the pupils' ideas forward to enable change. This year saw the successful return of Lenten Lunch, the internal references to special needs lessons changing to 'One-2-One' although the department is still officially Special Needs; the school council box will be renamed the Alert Box and will be used so that pupils can inform us of good news as well as problems and house photos are to be introduced in September. The discussions are on-going with regard to wet break activities. The senior seating plan for the dining room is now amended at the end of the Michaelmas term by the Food Committee. The Vinehall Way posters are in place around the school and will be personalised by the pupils in September during PSHE lessons.

Leadership

Prebost

Jamie Johnson

This is one of Vinehall's three most important cups. It is awarded to a Year 8 pupil who has shown strength of character and deserves recognition.

Stuart Mentzath

Robert Maclean

This is a special Vines' Cup for a pupil who has excelled but whose achievements have not necessarily been adequately recognised in other ways.

Millennium Cup

Freddie Van den Berg

This cup is awarded to a pupil who is keen, not always successful, but who should receive a timely boost for his/her efforts.

Guardian

Every new pupil from Year 4 upwards is allocated a current pupil who will befriend and guide him/her through the first few weeks, helping the new pupil to settle in effectively. Next year our new Year 3 children will also have a guardian allocated to them.

Merit

A merit badge is awarded to pupils in assembly and is to be worn for one week. It is a prize for especially kind or good behaviour when pupils are celebrated for enacting our school motto.

Food Committee

2006 -2007 Chair: **O Bensted-Smith**, Deputy: **H Green**, S Maynard, G Orsler, W Orr, A Archer, O Giles, I Bearcroft, R Cramp, H Buxton, K Patel, T Winchester, R Russell, T Bromfield, M Buchanan, J Wood.

Credit

The credit prize is a termly award for the pupil who earns the greatest number of credit points for good conduct. This year's winners were: Michaelmas Term, **Edward Sparkes**; Lent Term, **Katie Orr**; Summer Term, **Jesse O'Shaughnessy**

Helping Hand

The Helping Hand icon is awarded to pupils who have undertaken extra jobs such as Librarian, Recycling Monitors etc. which last at least one term during their time at Vinehall School.

The Charity Committee has been active again this year and has helped to raise in excess of £9,000 with the Rwanda Mission continuing to be the main recipient. Other charities that have benefited include St Michael's Hospice, Help the Aged, Heartline, The Door of Hope (S Africa), Water Aid and the Red Nose Day Appeal. The Charity Committee remains one where the children are largely self-selecting. They come forward with ideas such as supporting the Blue Peter Shoe Appeal and then without fuss, a system is devised whereby the school can be involved. In this case I am indebted to the Carr (especially Mrs Carr) and Christie families for their hard work. *JD*
