1st XI Played 9 Won 1 Lost 8 Goals for 7 Goals against 29

Sadly there are too many L's than W's in the win/loss column this season. Although the season started well with narrow defeats against Brambletye and Holmewood House, losing 2-1 and 2-0 respectively, our next four games all had a ring of inevitability about them: too many defensive errors and not enough service to our strikers. Our last match of the season versus Yardley Court was a must win game to avoid a whitewash. It would have been far too easy for the boys to accept defeat and move swiftly on to the rugby season, but of course I should have known better and a fantastic 3-2 victory brought an end to a very tough season.

JN

2nd XI

Played 9, Won 5, Lost 3, Drawn 1. Goals for, 40: against, 21.

Scoring almost twice as many goals as you let in is quite an achievement for any team and the second team did just that this season. Nineteen goals in the last two matches (8-1 v St Ronans and 11-2 v Yardley Court) helped to swing the stats in our favour.

Soccer

3rd XI

Despite a weak start, the team developed as the season progressed, until at the end of the season we were looking like a very promising side. We had developed the ability to read the game and were creating great opportunities. A highlight of the season was the fantastic win over Cummner House (8-1).

4th XI
