## U9A

**Played 7. Won 3. Drew 0. Lost 4 Goals: For, 12 Against, 12**

In a journey that took us from a narrow 0-1 defeat by Brambletye to finish with an exciting 3-2 victory over St. Ronan's our U9 A Team has provided some memorable moments. In the process they have come against several strong teams, especially St Andrews and Holmewood House. The manner in which they have overcome those defeats is worthy of praise as they always bounced back with a determination to improve for the next match. The whole team has worked extremely hard throughout the term and every one has contributed positively.

**James Moug** was voted the player's player of the season.

## U9B

**Played 6. Won 2. Drew 0 Lost 4 Goals: For 10 Against 16**

Following the admirable philosophy of sport for all every boy in Year 4 has represented the school this term. This has resulted in a constantly changing team with players experiencing different positions but much has been learned and several pupils have shown that by next year they will be challenging for A team places. Particular mention must go to Fred Holt and Toby Bromfield who have worked tirelessly and improved considerably.

**Daniel Hotz** was voted the players' player of the season.

The U.10s enjoyed another successful season and I was delighted with the progress that the team has made. We enjoyed several highlights during the term including a terrific 3-2 victory against Holmewood House and a narrow win at home to Cumnor House. The goalless draw at St.Bedes was also a lot more exciting than the score suggests and we were unfortunate that George Mc Girr's late shot hit the post and did not find its way into the net. There was a disappointing result against Ashdown House when we had the majority of the play, but gave away three goals with careless defending.

Jamie Banks has led the team with commendable spirit as team captain for most of the games. George McGirr showed excellent attacking instincts as the main striker and scored a terrific hat-trick against Holmewood House. Jamie Mackwood was probably the best dribbler in the team and he always impressed with the ball at his feet.

## U10 B

### Playing Record:

The B's had an enjoyable season and learned a lot about the game. The results were mixed but there were two high scoring victories against St. Ronans (6-3) and Ashdown House (6-0). Nicholas Jarrett-Potts was probably the most successful striker and he continued his good goal-scoring form from last year. James McNeilly was my choice as the most improved player in the group and his defensive skills will prove very useful for Vinehall teams in the future.
