

Year 6 Camp

Camp Leader Camp

A camping prize in the form of a rose bowl is awarded to the Year 6 pupil who noticeably enters into the spirit of Year 6 Camp. This year's winner was **Oliver Thompson**.

Year 6 Camp on 16th June was rather damp, but a great success with the children, as always. From tent-pitching to creating a group area; rope swings to swimming in the river; the 10 km trek to the fast quiz, our Year 6 pupils all got stuck in to this very special Vinehall tradition and a tiring time was had by all at Tanner's Farm!

In the words of one pupil, Camp 2007 was 'fun and exhausting'! The occasional heavy shower did not dampen spirits as they took part in the various activities and who could forget the cricket at 5 am!

In what proved to be the closest competition in years, the leaders throughout most of the camp, 'Drake', were beaten right at the end by the 'James Cook' tribe. Of course everyone is a winner in some way because all present (children and staff) experienced a great weekend.
