

Archery

2007/8

Archery at Vinehall is an after school club that consists of two separate sessions, Junior and Senior. It is a challenging sport that apart from the physical, requires good concentration skills to shoot well.

In the past, some Vinehall archers have taken up the sport seriously, joined a local club and gone on to represent the county.

To monitor progress the archers can obtain achievement certificates and badges for ascending score levels and a badge for six golds (ie six consecutive arrows in the middle). At Christmas there is a fun shoot where they can shoot at balloons to win prizes.

Last year's highest achievers were Ruby Russell - best archer and Alec York - the most improved archer.

Currently, Felix Marshall is showing great promise, and looks to be a strong contender for this year's champion.
