

# Art

2007/8

It has been a busy and satisfying year in the Art Department. Five pupils gained art scholarships and exhibition awards: Alexander Archer, Art Scholarship to Lancing College; Charles Killeck, Art Exhibition to Brighton College; Sigrid Koerner, Art Exhibition to King's, Canterbury; Felix Wells, Art Exhibition to St Bede's and Charles Williamson, Art Scholarship to Eastbourne College.

The children across the school have engaged in cross-curricular projects with maths, history and design technology departments. Many of them have been attending Art Club to develop their creativity and art skills.

The Art Scholars' Exhibition was a rewarding way of celebrating all the hard work in the preparation for art scholarships. The standard of work was very high, showing maturity and a wide range of media. The children had worked very hard to produce excellent portfolios of work and sketch books.

The Art Festival Week in the Pre-Prep School was an excellent opportunity to celebrate the 70th anniversary of Vinehall School. During that week we accommodated Year 2 for art lessons following their observational drawings around the school.

Mrs Quelli Coles continues running evening pottery classes in the Art studio which many children have attended. We have established continuity between art projects and pottery clubs allowing children to extend their project ideas in ceramics.

The end of the year was celebrated by the whole School Art Exhibition. The standard of work was very high showing skills in a wide range of media.

Vinehall hosted local primary schools for two days of creative activities with professional artists for gifted and talented children. We are planning to extend this experience with local schools in the future.

Art and Carpentry departments, children and parents all helped to produce the back drops for plays and productions. We look forward to the next year with inspiration and new ideas. SM
