

General Knowledge

2007/8

The annual General Knowledge competition was as hotly contested as ever. Daily questions set by each subject on a rotating weekly basis at junior, middle and senior level, provided a stimulating challenge for the children and the grand finale was a genuine 'fingers on buzzers' affair in the theatre with each of the four house teams made up of a junior, middle and senior pupil.

For the second year running, the winning team was that of **Ashton** House by a healthy margin, comprising William Orr, Jasper Piper and Benedict Meehan.

The top scorers individually for GK this year were:

Senior, Sam Piper (Ashton) 41,
Middles, Charlotte McNally (Rushton) 43,
Junior, Kieran Sassone (Rushton) 35.

The **General Knowledge Cup and Prize** was awarded to Archie Todd. Archie has qualified for the GK finals every year, for six years, since he joined in Year 3. KC
