

Lacrosse

Girls in Years 6 and 7 attended Lacrosse club in the Michaelmas and Lent terms, showing great enthusiasm and making great progress. Having offered to host the Kent Schools' Indoor 5-a-side lacrosse tournament we were given dispensation to enter a team and six members of the club took part. None of the girls had seen a match played or taken part in one before and there was a huge sense of anticipation and excitement on the day. To everyone's delight the team rose superbly to the occasion and qualified for the semi-finals. Here they met a strong team from Benenden to whom they lost and who went on to win the tournament.
