

Tennis

2007/8

Tennis is alive and well at Vinehall. All the children do some tennis in their summer term PE lessons and Ms Viljoen has been running a successful club which has been well supported by 15 regular keen players in junior and senior coaching sessions.

This year, for the first time, four couples took part in the Benenden Girls' U12 tournament. Each pair was drawn in a different section and played a round robin format. The girls then went on to play in a knock-out tournament. A great afternoon of tennis was had by all and we hope to repeat the experience next year.

The boys had an even match against Marlborough House. We won the U13 event and narrowly lost the U11 games.

'Vinbledon' Winners
