

# Cross Country

The Girls' Cross Country squads took part in four competitions this winter. Helen Butcher, Hannah Manton and Claire Hunt ran well for the senior team and Perdita Knight for the intermediates, while Rebecca Casselden and Serena Rawlings turned in some promising performances for the junior team.

The Boys' team ran in five competitions over the Michaelmas and Lent terms. The U11 team started the season in great form to win their age group at the Thomas Trophy and finished in style at the Hastings and District Championships, winning the U12 competition. At Ardingly, a combined team of Year 6 and Year 8 boys won the Senior event and at Hastings and District the Year 8 also took 1st place with Gregory Morley finishing in 3rd place.
