

# Golf

Once again, golf coaching was oversubscribed for the first half of the Michaelmas term. Each Friday afternoon as part of their games lessons, 32 promising 'Tiger Woods' and 'Annika Sorenstams' showed off their expertise under the watchful eye of Matthew Holland, the Assistant Golf professional at Rye. Matthew always comments on the good behaviour and politeness of the pupils in his care and how much he enjoys coming to Vinehall to work with such enthusiastic youngsters.

Both Parent and Child Competitions were well supported and proved to be popular social occasions for our parents. William and Mr Collier won the September Foursomes once again and in the Summer Foursomes in June, the leaders in the field were Peter Dunn and Mr Sloan.

In the Kentish Prep Schools' Golf Competition, three pairs represented us: Peter Dunn and Diego Cordoba, James McNeilly and William Collier and Henry Clark and Oliver Campbell.

The highlight for the staff is the Early Bird Midsummer Madness on 21st June. This year shortly after 5.00 am, the happy band actually saw the sun rise briefly, before hiding behind a cloud. Breakfast at Johns Cross Café rounded off an excellent start to the longest day of the year.
