SATURDAY ACTIVITIES 2007-2008

NAME _____ FORM _____

Every boarder must choose a Saturday club. All Saturday clubs are open to both boys and girls.

Saturday activities are essentially for boarders. However, **day children in Year 7 and 8** may join a Saturday club if there is space.

There will be a programme of activities for boarders for those occasions when a particular club is not running as noted in the Calendar (for example when there is a Music Society concert).

Year 6 Camp – on those Saturdays when the Year 6 camp and adventure club takes place, all Year 6 boarders will join that activity instead of their usual club.
