

14 Jan 2008

Dear Year 5 Parent,

You will see from the calendar that there is to be a talk for Year 5 parents on Saturday, 19th January. I do hope that you will be able to join me on Saturday morning.

The purpose of the session is to look ahead to next year when your child is in Year 6 and to provide a brief overview of that year. I will run through the expectations that we have for Year 6 children, the streaming of classes and the issues that parents might like to have in mind across that year, for instance, choosing the right senior school for the 13+ transfer point.

Our session begins with coffee and a chance to chat with teaching staff in the front hall at 10.45 am, after which I will address Year 5 parents in the recreation room.

To make the session as valuable as possible I hope that you will suggest, on the return slip below, a few questions that I might answer through this talk.

Yours sincerely,

Julie Robinson

.....

NAME (S) _____

will / will not attend the Year 5 parents' information session on Saturday 19th January 2008

We would appreciate information regarding the following:

(Please return this slip to the front office)
