### *Please Note*

Please **do not** use the iron-on name tapes – they come off!

Due to lack of space and necessity of speed, all items of clothes must be machine washable and tumble drier friendly! Matrons cannot take responsibility for shrinkage of pupil's clothing.

***(Overseas Pupils)*** - A new duvet and bed linen can be supplied by the school, for your convenience, and the cost added to your account. We would nametape the duvet and it would remain the child's property when leaving Vinehall. Lockable boxes/trunks can be purchased for you by Matron.

Towels and all items of bedding usually remain at school at the end of term so that beds can be ready for your child's return.

Please do not send food to school. Boarders may buy snacks weekly at school and may have their own jam or spread (not Golden Syrup!) to eat at breakfast and supper. Please mark jars clearly. (See note in Boarders' House Manual).
